# PLASTO ELTRONICS PVT. LTD

We are the renowned manufacturer and supplier of fine quality Moulds, Moulding needs and assembled components. All the products are manufactured using high quality raw materials which are procured from the reliable and certified vendors.

We are one of the **recognized** name in the industry engaged in manufacturing and supplying a wide array of **precisely engineered** products. Our products are highly demanded by our clients across the nation for their superior quality and excellent features like **optimum performance, cost effectiveness, precise designs, low maintenance** and **resistance to corrosion**. The wide array of products offered by us includes **Electrical & Electronics, Defence and Rayon Components**.

Plasto Eltronics Pvt. Ltd. was incorporated in the year 2002 under the guidance of our highly qualified and knowledgeable mentor Mr. Swarochis. S. Ghuwalewala. We have crafted a niche for ourselves and work hard to stand on that, and able to spread our foot and understand the requirements of clients. We have adopted a philosophy that states "**Quality is first, Customer is supreme**" and work in accordance to same to offer maximum satisfaction to clients and excel in the path of success.

# QUALITY POLICY
